Dimensions and Weight	(W)19.1cm x (H)30.5cm x (D)25.9cm (W)7.5" x (H)12" x (D)10.2" 13lbs/5.9kg

Consumer Benefits

Make Your Entire Listening Room the Sweet Spot

You'll experience a seamless, lifelike soundstage no matter where you're seated thanks to Signature Elite SE15's Dynamic Balance, phase-optimized two-way crossover array.

Hear More Detail in Music and Movies You Love

SE15's Hi-Res Certified, Terylene dome tweeter provides crystalline highs (40+kHz) ideal for high-res audio services like Apple Music, Tidal, Amazon Music HD, Qobuz and Spotify HiFi.

Effortless Bass

Polk's patented Power Port design provides greater surface area and smoother air flow for more output and less distortion compared to conventional ported speakers. When paired with the SE15's 5.25" woofer, that means effortless bass you can feel.

High Sensitivity for Maximum Compatibility

SE15 delivers spacious, clear, enveloping and realistic sound reproduction from nearly any amplifier or receiver—whether 4 or 8 ohm, vintage audiophile or the latest Dolby Atmos or DTS:X surround sound AVRs.

Features

- Premium Full-Range Hi-Fi Home Theater Compact Bookshelf Loudspeaker
- Powerful and Immersive Hi-Res Audio for Movies, TV, Music and Games
- Polk Dynamic Balance Cascading Crossover Acoustic Array for a Spacious, Lifelike Soundstage
